Chicago lääneservas asuvas Maple Park'i eeslinnas tegutsev Kaneland High School Madrigal Choir on vaatamata lauljate noorele eale saavutanud tuntuse ja tunnustuse kaugel väljaspool oma kooli ja selle piirkonda. Kõrgel kunstilisel tasemel kontserdid on koorist teinud nõutud esineja ning teeninud neile nimelised kutsed arvukatele koorifestivalidele üle kogu USA.

Kooril on lisaks esinemistele Chicago piikonnas ning kontsertreisidele üle kogu Põhja-Ameerika selja taga ka viis välisturneed, mis on viinud neid Inglismaale, Šotimaale, Iirimaaale, Hispaaniasse ja Portugali.

Käesolev kontsertreis, milles raames toimub ka tänane üritus, tõi koori Soome, Läti ja Eestisse muusikalist külakosti pakkuma. **Ilusat kontserdielamust!**

Kaneland High School is a part of Kaneland Community Unit District 302, located to the west of Chicago, Illinois. The district encompasses 140 square miles and serves nine different communities on the western edge of the Fox River Valley. The Kaneland High School Madrigal Choir is an auditioned ensemble and performs to a very high standard. Apart from its school duties, the choir is in much demand elsewhere and gives many concerts throughout the whole Chicagoland area. KHSMC's notoriety in performance is such that it has been invited to participate in several Choral Festivals across the USA and at various Universities. Apart from touring throughout North America, the choir has undertaken five international tours to Europe - England, Scotland, Ireland, Spain and Portugal.

The current performance tour to Latvia, Estonia, and Finland is something its members have been really looking forward to and are happy to welcome you at the concert.
